FULL-STACK DEVELOPER

Software engineering student specializing in the TypeScript/JavaScript stack, including Node.js, React, and PostgreSQL. Skilled in building scalable and maintainable web applications. A proactive problem-solver with strong collaboration and communication skills, dedicated to delivering effective solutions and fostering innovation in fullstack development.

WORK EXPERIENCE

DynaGroup - *Cap. Gral. Ramón Freire 4801, Bs As*   07/2024 - PRESENT
FullStack Developer
- Contribute to the development of reliable and scalable backend systems by managing databases, building APIs, and supporting server functionality.
- Assist in upgrading older JavaScript applications to React, improving usability through new features.
- Collaborate with the team to resolve technical challenges and ensure timely project delivery.

El Sembrador - *Ruperto Godoy 2171, Santa Fe*   04/2023 - 06/2024
FullStack Developer
- Developed a food ordering web application used by 200+ daily users, using Next.js, Tailwind CSS, and MongoDB for a seamless customer experience.
- Optimized database queries and system architecture to ensure high availability and reliability under heavy traffic.
- Reduced operational inefficiencies by automating the order management process.

Serfe - *Falucho 2032, Santa Fe*   06/2022 - 09/2022
FullStack Developer Intern
- Developed backend with PHP and migrated frontend from jQuery to React.

EDUCATION

Universidad de Palermo - *Mario Bravo 1050, Bs As*
Bachelor of Science - Software Engineering, March 2023

DigitalHouse - *Av. Monroe 860, Bs As*
Full Stack Web Development, 10/2021 - 04/2022
Completed an intensive program covering front-end and back-end web development.

PROFESSIONAL SKILLS
- **Programming Languages**: TypeScript, JavaScript, Python, Bash
- **Frameworks/Libraries**: React, Next.js, Express.js, Django
- **Databases**: PostgreSQL, MongoDB, MySQL
- **Tools**: Git, Docker
- **Services**: AWS (Lambda, S3, ECS)

LANGUAGE COMPETENCIES
- Spanish: Native
- English: B2 Upper-intermediate (speaking, reading, writing)
